

ANNUAL REPORT

Who We Are & What We're About...

Benton-Franklin Humane Society, established in 1966, is a private, non-profit adoption center located in Kennewick, WA. We are a no-kill shelter that receives no government funding. BFHS advocates for the humane treatment of animals through adoption counseling, educational outreach and community services. We promote exceptional pet ownership and work tirelessly to place our animals into loving, forever homes. Compassion and respect guide our actions as we strive to create a model humane community.

We've Been Busy...

- **420** Dogs/Puppies and **418** Cats/Kittens were adopted, each spayed/neutered and vaccinated prior to the adoption finalization!
- Partnering with Tri-Cities Animal Shelter providing spay/neuter services and Happily Ever After Transfer Program!
- **2,355** Volunteer hours were donated to our shelter! A huge thank you to all who dedicate their time supporting these animals!
- Providing **800** pets food from our Community Food Pantry to help them stay in their homes!

The Benton Franklin Humane Society graciously thanks the volunteers and donors who help us provide programs and services that simply would not be possible without their help. From helping with fundraising to cuddling kittens to serving on the Board of Trustees, we value the precious time each and every one of our volunteers honors us with. We hope you'll consider volunteering with us as well!

The Numbers...

BFHS underwent a significant ,self-requested, external financial and business practice audit to ensure best practices were being followed and donor funds properly and accurately accounted for. We continue to use any findings as a model moving forward for best practice in regard to record keeping, financial transactions, reporting, etc.
